

ASSURANT SOLUTIONS

protects what matters most to more than 150 million customers worldwide—from mobile devices to major appliances, from cars to computers, from financial solvency to pre-funded funeral insurance. Our broad range of protection products includes mobile phone insurance and extended service contracts that help keep life running smoothly. With 24 locations worldwide, we serve clients and consumers throughout North America, the Caribbean, Latin America and Asia.

PRODUCTS AND SERVICES

Assurant Solutions' broad array of product offerings includes:

- Protection and maintenance of connected products including mobile devices, appliances and electronics
- Jewelry care programs
- Vehicle service contracts
- Credit life, disability, unemployment insurance and debt protection
- Pre-funded funeral insurance

Competitive Strengths

Our ability to anticipate and adapt to market changes to meet the evolving needs of consumers has been a primary driver of our long-term success. We tailor our solutions based on research-driven consumer and industry insights to help clients:

- Keep pace with a rapidly changing global marketplace
- Enable customers to purchase when, where and how they want
- Drive sales and revenue growth
